Agenda

1. Finland travel,
2. Introduction of the progress of the software,
3. Questions and Answers.

Decisions

1. If there is no problem due to the pandemic, it has been decided that the training to be given by the Finland team will be face-to-face between 22-24 Novembers. If there is a problem, the training will be given online.
2. Training will be carried out on monitoring/screening and evaluation. Also, school visits will be made to learn about the Finland education system and the data collection tools used to assess students.
3. Necdet Karasu will share the flight plan so that tickets can be purchased early.
